The first few times

you use this

EDGE INDEX

follow the how-to-use suggestions slowly ONE STEP AT A TIME. After that you will be able to open easily and almost instantly to the department, branch, commission, agency, or letter you seek.

HOW TO USE

1. With the Register open on a desk, place your right thumb near the middle of the open side of this page and the four fingers of your right hand between the back page and the back cover. Then raise your right hand and move it to the left until the pages are bent nearly double.

2. From the one-, or two-line symbol adjacent to the subject you want, run your eye across the page edges until you reach the corresponding symbol.

3. Open there—That will be the place you seek.

Note.—There are three rows of symbols on the page edges. The left row of symbols (the one nearest to the front) indicates the subjects in the first or left column on this page. The middle row of symbols indicates the subjects in the second or middle column on this page. The third row indicates the alphabetical division in the right column.

It's easier if you "FAN" or "RIFFLE" the last few pages.
